To: The parents of all Pack 80 Cub Scouts
Re: Yearly Registration Fee

It's that time of year when once again all Scouts and Leaders have to re-register with the Pack by paying the annual registration fee.

Our registration year runs from April 1st to March 31st. Despite an increase in fees from the Council and the BSA, our full annual fee will remain \$47.00, which works out to less than one dollar a week. This covers an entire year of scouting programs and includes a monthly magazine subscription!

The full annual registration fees are:

- Cub Scout with *Boy's Life* subscription: \$47.00
- Cub Scout without *Boy's Life* subscription: \$35.00
- Registered Adult Leader: \$20.00

These registration fees are due as soon as possible. We will have a re-registration table set up at the February Pack Meeting on **Friday, February 18th** and at the Blue & Gold Banquet on **Saturday, March 12th** to assist you in turning in your registration materials promptly. Please turn in the accompanying form with your remittance. **If registration fees are not paid by March 12th, your son will not be allowed to participate in Pack activities until the fee is paid.** This policy is necessary to protect the Pack from legal and financial liability.

If you are experiencing financial hardship and cannot pay this fee on time, please contact me, and I will establish a payment schedule for you. Your circumstances will remain confidential. But please, don't wait until the last minute.

Thanks for your cooperation as we begin a new year.

Yours in Scouting,

Diane Gilson
Committee Chair
